## 关于我们

金华市格兰德智能科技有限公司是一家集设计、研发、制造和销售水上运动产品于一体的专业化科技型创新企业。

公司拥有20000多平方标准现代化生产厂房。公司自创建以来，“坚持以人为本，品质取胜，科技创新”为企业经营方针，成功通过并实施ISO9001质量管理体系，并获得CE、欧盟REACH、MSDS、UL、ROHS、UN38.3、EMS等多项国际认证和质量检测报告。公司坚持科学发展观，注重人才引进和培养，拥有一支近500人的研发、生产团队，其中专业技术人才占比20%以上。

公司研发生产的产品有：冲浪板、电动冲浪板、电动水翼板、EPS/PU冲浪板、浆板、SUP、帆板、电动救生器材等水上运动系列产品。品质源于细节，每款产品从最初设计到成品均要经过几十道工序精心打磨，并层层检测把控，确保每款产品的合格率达到100%。

公司先进的生产线，规范严格的检测流程，科学的管理方法，完善的营销及售后服务体系，为产品的质量和服务提供了坚实的保障。公司的产品多次成为国内外水上运动比赛选用产品，并以卓越的品质赢得全球水上运动爱好者的认可肯定。

致力于为每一位顾客提供最优的产品和卓越的服务是格兰德的发展理念；打造世界顶级水上运动产品品牌是格兰德未来发展目标。

## Company Profile

Jinhua Grande Intelligent Technology Co., Ltd. is a professional technology enterprise integrating R&D, production, sales of water sports product.

The company covers plant area more than 20,000 square meters. Since the company was established, we have been adhering to "people-oriented, quality first, technology innovation" as the guideline for management. Besides, we have obtained ISO9001, many international certification and quality test reports for our products, such as CE, EU REACH, MSDS, UL, ROHS, UN38.3, EMS. The company has an experienced R&D and production team about 500 people, among which technician account for over 20%, persevering in the Scientific Outlook on Development and focusing on talent introduction and cultivation.

Our factory specializes in the manufacturing of surfboard, electric surfboard, electric hydrofoil surfboard, EPS/PU surfboard, paddle board, SUP, windsurfing, electric life-saving equipment and other water sports product and accessories. Quality comes from details. Each product goes through dozens of processes and strictly testing from the initial design to the finished product to ensure a qualified rate up to 100%.

The company's advanced production line, strict testing process, scientific management method, perfect marketing and after-sales service system can provide a solid guarantee for product quality and service. Our products have been used in many water sports competitions, and won the recognition of water sports enthusiasts with excellent quality around the world.

Committed to providing every customer with the best products and excellent service is the development concept of Grande. Our future development goal is to build a world famous brand of water sports product.

## Specifications:

- 1 Power: 12kw
- 2 Max Speed: 55-60km/h
- 3 Working Time: 45-60 Minutes
- 4 Material: Carbon Fiber
- 5 Max Load Weight: 130kgs
- 6 Battery capacity: Lithium Battery 72V/54A
- 7 Battery Weight: 25kgs
- 8 Body Weight: 18kgs (incl.spare parts,excl.battery)
- 9 Charger specification: 110V-240V
- 10 Number of caudal fins: 2
- 11 Board size:180x60x15.5cm
- 12 Board Package size:192x67x23cm
- 13 Board Package Weight: 70kgs (incl.spare parts and battery)
- 14 Battery size: 45x35x11cm
- 15 Battery package size: 52x38x23cm
- 16 Battery package weight: 29kgs
- 17 Warranty: Board 1 year and battery 9 months
- 18 Control Mode: Stick Control (Pulling Rope)
- 19 Battery Indicator Check Power Any Time,Pls Return For Charging When The Power Less Than 20%
- 20 Feed Set Location is adjustable so that could make more complex actions.
- 21 Assist Handle; Easy To Control The Board during Early Surfing
- 22 Waterproof Area For Battery ; Could dismount, More Safe For Surfing
- 23 Powerful System ; High Speed Power Takes You To Fly

An aerial photograph of ten people on paddleboards in clear, turquoise water. The boards are various colors, including white, blue, and yellow. The people are wearing wetsuits and are scattered across the frame. The water is very clear, showing the seabed below. The text 'IT'S TIME TO GO' is overlaid in large white letters in the upper center, with 'YOUR BEST ALL ROUND PADDLE BOARD' in smaller white letters below it.

# IT'S TIME TO GO
